PETITION UNDER 37 C.F.R. 1.53(e)

S I R:

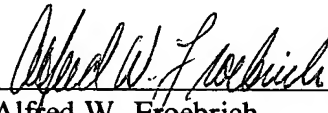

By this petition, applicants request that a filing date of July 8, 2003 be accorded to the above-identified application. A notice of Incomplete Nonprovisional Application mailed of October 2, 2003 indicates that a filing date was not accorded because (1) the application was deposited without drawings and (2) the oath or declaration is missing.

Regarding the first reason, a drawing was filed with the application as evidenced in the attached declaration by Alfred W. Froebrich. Furthermore, it is respectfully submitted that the oath or declaration is not required for a filing date as stated in 35 U.S.C. §111(a) (3). Since a

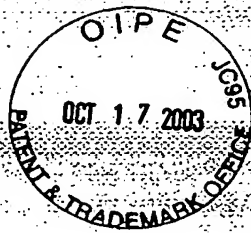

drawing was filed with the application on July 8, 2003, it is respectfully requested that the above-identified application be accorded a filing date of July 8, 2003.

A petition fee of \$130 under 37 C.F.R. 1.17 (h) is submitted herewith. Since the application is entitled to a filing date, Applicants respectfully request a refund of the petition fee. Any additional fees or refunds may be charged or deposited in our Patent Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,

DECLARATION OF ALFRED W. FROEBRICH

I, Alfred W. Froeblich, hereby declare and state that:

1. I am one of the attorneys-of-record in connection with the above-identified application. I am registered to practice before the United States Patent and Trademark Office (USPTO) under Registration No. 38,887.

2. On October 6, 2003, I received a Notice of Incomplete Nonprovisional Application which has a mailed date of October 2, 2003 and which states that the above-identified application was not accorded a filing date because (1) the application was filed without drawings and (2) the oath or declaration is missing.

3. In actuality, applicants did submit a drawing with the application on July 8, 2003. a true copy of the drawing, as mailed to the USPTO, is attached hereto.

4. Also attached hereto is a return receipt postcard which was filed with the application on July 8, 2003 and which lists the items which were filed with the application. Item 4 states that "1 sheet of drawing" was filed. The post card is date stamped with a filing date of July 8, 2003 as received by the Patent Office mail room and returned to the applicants' undersigned attorney as proof of the Patent Offices' receipt of the listed documents.

5. As should be apparent from the facts and circumstances related to this Declaration, 1 sheet of drawing was filed with the application.

6. Furthermore, an oath or declaration is not required to be filed with the specification and drawings under 35 U.S.C. §111(a) (3). Anexecuted declaration is being filed concurrently with the present petition.

7. Since a drawing was in fact filed with the application and because the oath or declaration is not required for a filing date, it is respectfully submitted that the above-identified application should be accorded a filing date of July 8, 2003.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 14th day of October, 2003

Alfred W. Froeblich
